### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One fortyeth cubic foot per second. (0.025)

Actual construction work shall begin on or before May 2, 1917.

Proof of commencement of work shall be filed before June 2, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before May 2, 1918.

Application of water to beneficial use shall be made on or before May 2, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 2, 1919.

Canceled Jan 22, 1918 because of failure of applicant to comply with provisions of permit. WITNESS MY HAND AND SEAL this 2nd day of September, 1916.

Lyon C. Warkeney
